

To the Customers and Friends of Team CE,

For over 125 years Christian Endeavor, the parent organization of Team CE, has been actively involved as a leader in youth ministry. The purpose of this communication is to announce a transition in the way we provide resources to youth ministry leaders who have trusted us to provide resources and bible study materials for their youth ministry.

For almost a year we have been in discussions with our friends at Student Life regarding their new online Bible Study curriculum. We are pleased to announce that we have reached an agreement that we hope will be a win for Team CE, youth ministry leaders and Student Life.

In the youth ministry world Student Life has the reputation of providing the best experience, content and tools for local ministry. Their online bible study program is second to none in the industry and they are excited to provide this service to you.

- Beginning April 1, 2006, TeamCE will refer all new membership requests to Student Life.
- Effective immediately, all current TeamCE customers will be provided with a free subscription to Student Life Bible Study online curriculum. The Student Life customer service team is ready to set up your account immediately. You can contact them at 888-811-9934. You can also expect that they will be attempting to contact you to set up your new account.
- For the next 12 months (until April 1, 2007), the current subscribers to TeamCE will be able to access the monthly materials you have come to love and appreciate from our web resource. You will receive your weekly Bible Studies through the free membership to Student Life.
- TeamCE members will still come to our site for the programming tools we offer, but in order to access the Student Life materials in conjunction with your TeamCE subscription, simply contact the exceptional customer service team at Student Life today (phone). They will walk you through the easy step-by-step process of utilizing their resource.

We know that this transition may come as an unexpected announcement, and we apologize for the inconvenience it might cause. Your best interest is at the heart of this decision. We have been working for many months to prepare you for the changes that will provide you the best materials you deserve. Without a doubt the TeamCE staff is confident that after a few minor adjustments to your weekly routine, you will thank us for making this change with Student Life.

For questions and clarifications regarding your TeamCE subscription, please call us toll-free at 800-260-3234.
